

About RateMyPlacement

RateMyPlacement.co.uk is the UK's leading resource for students seeking paid placements, internships & insights.

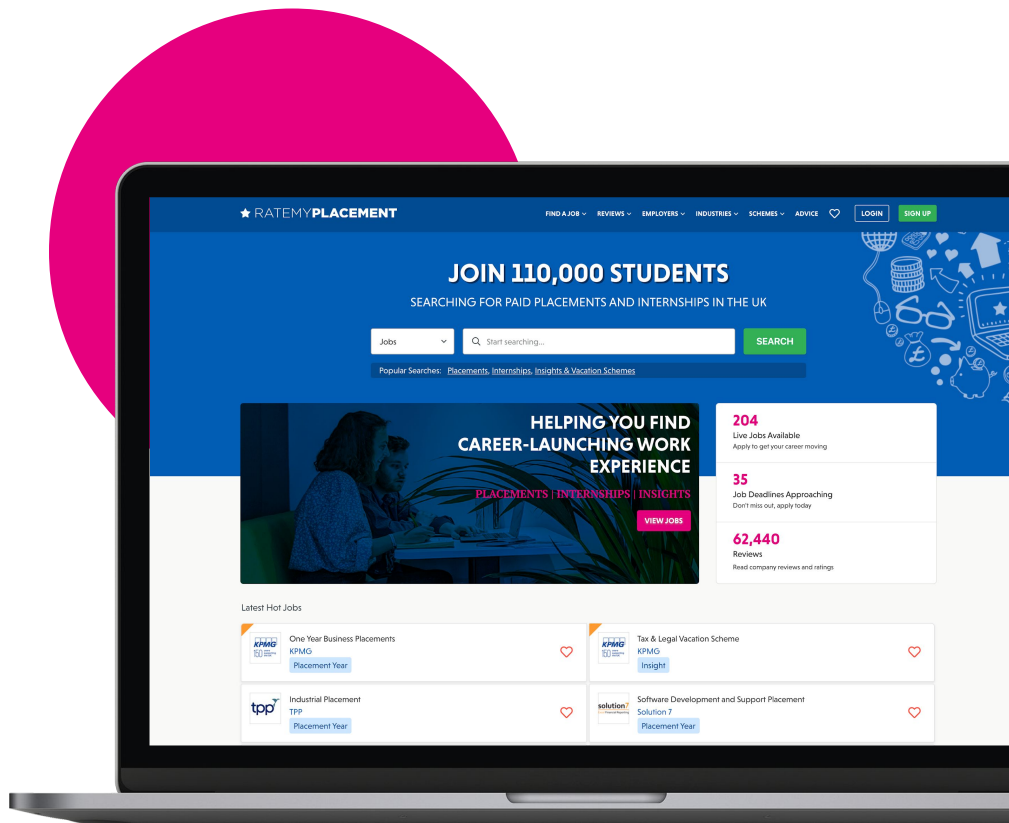

How can we help?

We host over 65,000+ reviews of work experience schemes, all written by students. These peer-to-peer reviews are 100% free to access and help students find the right employer and right scheme to apply for.

We also work with 400 of the UK's top employers in a wide-range of sectors, only advertising placements, internships and insights on the website that are paid.

Industry experts:

Armed with expert careers advice, downloadable resources and application guides, we educate students on the career options available to them and how to get there.
